

ICKERT DENTAL IMPLANT CENTRE

AESTHETIC AND RECONSTRUCTIVE DENTISTRY

Dr. Norman W. Ickert

ORAL SEDATION PREOPERATIVE INSTRUCTIONS

1. If you are scheduled to receive oral sedation, do not eat for 6 hours prior or drink anything for 3 hours prior to procedure. (Water and clear fluids are acceptable).
2. There must be an adult (over 18 years of age) to escort you home. You will not be able to drive. Patients who have had oral sedation should not drive an automobile for 24 hours.
3. It is suggested that the patient have an adult stay with him/her for the remainder of the day of surgery.

It is our sincere desire that you are as comfortable as possible following surgery. If you should have any questions or problems, please call our office at any time.

It is a privilege to partner with you in the treatment of your oral/dental health.

With best personal regards,

Norman W. Ickert, DMD
